Rebecca,

Thanks for your response. Please find attached the latest revised drafts of the Non-Disclosure Statements for EPA employees, EPA contractors, and EPA SEE. Please let me know if these are acceptable to EPA. I believe the NDS forms need to be signed by the three classes of EPA workers and consultants prior to the start of the Red Hill AOC scoping meetings beginning next week.

According to Steve Daugherty's out of office message, I believe he should be back tomorrow.

I didn't get to this today, and starting tomorrow I am out of the office until Tuesday at a law conference.

I have not provided comments to Steve or anyone, but I did not see anything of concern in the contractor or SEE employee drafts.

Rebekah Reynolds will be back in the office next week, I will forward her the drafts.

Rebecca,

Thanks for coordinating with Wade and the State. I saw an email from Steve mentioning that you planned to provide by last week some minor comments on the Non-Disclosure Statement forms for the EPA employees and EPA contractors. However, I didn't see an email with your comments. Did you provide comments to Steve and, if so, could you please send them to me? I have a few revisions on the forms that I will send you later today.

Thanks for your help.

I will reach out to Wade. He and I started this conversation bit, he had said that he does not work directly with the folks who represent DLNR. He said he would contact that division and try and get the name of

the appropriate attorney.

Hi Rebecca,

For State DLNR employees that will be participating in the scoping meetings, Steve Daugherty proposed using a memorandum similar to the attached guidance previously issued by Wade for State DOH employees. However, the form of the memorandum needs to be revised to apply to DLNR employees vice DOH employees. Also, the DLNR employees may need to have the memorandum issued to them by a State of Hawaii Deputy Attorney General that is different from Wade. Could you please check with Wade on making the appropriate revisions to change the type of State employees and replacing Wade's name with the name of the appropriate attorney, if required? Thanks for your help.

Rebecca,

As discussed, attached is the guidance previously issued by Wade for DOH employees. I think that we can probably continue to use this for DOH and that a similar approach should work for DLNR. It will not work for the BWS however because they do not receive their legal advice from the State AG's Office. The direction could be improved by specifically referencing the final AOC and section 10(d) of the AOC, but I don't think it is necessary at this point unless other's disagree.
